

ARTISAN RECOGNITION OF PRIOR LEARNING (ARPL) PROJECT

EXPRESSION OF INTEREST FORM

Do you have a minimum of 3 years’ work experience, and want to be trade tested towards becoming an Artisan?

The Small Enterprise Development Agency (SEDA) jointly with Iyanda Holdings (Pty) Ltd and Shukela Training Centre (Pty) Ltd Joint Venture are implementing a **Small Medium Micro Enterprise (SMME) Artisan Recognition of Prior Learning (ARPL) Programme** funded by merSETA to recruit SMME ARPL beneficiaries (*especially owners or employees including youth, women, and people with disabilities*) operating **formal or informal businesses in the Automotive industry** to go through ARPL, Gap Training, Revision, and Trade testing.

Tick the box associated with the automotive trade of your choice:

- Welding
- Spray Painting
- Automotive Electrician
- Petrol Mechanic

- Automotive Motor Mechanic
- Airconditioning and Ventilation
- Diesel Mechanic
- Boiler Maker

Other
(Please specify the trade)

Please mark with an (X) only one category that best applies to you:

CATEGORY	DESCRIPTION
1	Learners who have already done ARPL and have been recommended for Revision and Trade Test
2	Learners who could not proceed and do trade tests because their Apprenticeship contracts with the companies that hosted them expired before they could pass the Trade Tests
3	Learners who have already completed ARPL and have been recommended for Gap Training
3a	<i>For less than 5 weeks of Gap Training</i>
3b	<i>For less than 5 weeks of Gap Training</i>
4.	Learners whose ARPL Portfolios have been assessed and have been approved to undergo ARPL
5.	Learners with more than three years of work experience in the trade they want to be an Artisan on and would like to undergo ARPL
