Service Provider for Disconnections and Reconnections

Please be advised that Lekwa Local Municipality has appointed a service provider, who will be handling disconnections and reconnections (implementation of credit control measures) within our municipality as of the 1st of March 2024. This change aims to improve service efficiency while minimizing disruption to our community.

Your cooperation during this transition is appreciated.

For any queries relating to the above, please contact:

Zinhle Manana on 087 562 5336 or email at ZManana1@lekwalim.gov.za
