PUBLIC NOTICE

DRAFT INCENTIVE POLICY FOR HOME TAVERNS AND TAVERNS

Lekwa Local Municipality invites the community and affected stakeholders to comment on the draft Incentive Policy for Home Taverns and Taverns. This policy seeks to relax stringent regulations and conditions that hinder the growth of home taverns and taverns in general in the Lekwa Municipality. It also seeks to promote township economy by legalising home taverns and taverns in general.

The hard copies of the draft Incentive Policy for Home Taverns and Taverns will be available in all municipal buildings, libraries, Municipal website and farm schools. The soft copies will be available upon request from Mr Robert Mkhabela at RMkhabela@lekwalm.gov.za or Mr David Buthelezi at DButhelezi@lekwalm.gov.za.

The community and affected stakeholders are given 21 days to submit their comments. The comments should clearly be written: "DRAFT INCENTIVE POLICY FOR HOME TAVERNS AND TAVERNS"

The closing date for the receipt of all comments is the 24th of June 2025 by 12:00. No comments will be entertained after the closing date.
