PUBLIC NOTICE FOR THE IMPLEMENTATION OF THE E-PARTICIPATORY GOVERNANCE AND LAND USE MANAGEMENT SYSTEM (e-PGLUM) ICT

The Lekwa Local Municipality, in partnership with the Mpumalanga Department of Cooperative Governance, Human Settlements and Traditional Affairs, has implemented an e-participatory Governance and Land Use Management System (e-PGLUM) with effect from 1 October 2025. This system aims to support the municipality with improving the efficiency and effectiveness of the processing of land use development, building plans, and outdoor advertising applications. The Lekwa Local Municipality kindly informs the public and professional bodies/agents that the e-PGLUM system is now live via the web address epglum.co.za. The system has a Citizen dashboard to allow citizens to register as users to be able to submit Land Use, Outdoor advertising, and building plan applications. They will also be able to track the progress of their applications, submit complaints, and lodge or oppose appeals.

As of the 15 of March 2026, the Lekwa Local Municipality will not be accepting any manual applications for Land Use, Outdoor advertising, and building plan applications. All applications will be processed on the above-mentioned system. Further inquiries regarding the above mentioned can be directed to: i) Land Use Applications: Contact No. 0177129680, Email ekhoza@lekwalm.gov.za ii) Building Plan Applications: Contact No. 0177129686, Email MSekonyela@lekwalm.gov.za and iv) Outdoor Advertising Applications: Contact No. 0177129687, Email JPrinsloo@lekwalm.gov.za or alternatively visit the municipality at Sakhile Offices Corner Hlongwane & Palmer Street, Standerton, 2430.

S.M. Jiyane
Acting Municipal Manager.
